

## SCHEDULED CAREER FAIRS & OPEN HOUSES

(Metro Washington/Baltimore – Mid-Atlantic Area)

May 13, 2012

**A word of caution: check with both the sponsor and the hosting facility** for listed Career Fairs and Open Houses **before leaving home**. Pre-registration or early registration can sometimes make for easier access. Also, see *Special Notes* at the end of the listing for additional sponsors of Job Fairs across the nation and other relevant career and search web listings. This listing is a “pay it forward” contribution of my firm, D&A Industries, Ltd. When attending Career Fairs be sure to bring plenty of resumes, more than you plan to distribute. **When attending an Open House** be sure to bring a half-dozen copies of your resume. **Consider pre-registration at career fairs to facilitate entrance. Some require early registration if not holding Military ID.** Also, note the resources listed at the end of the career fair listing. *Please feel free to forward this listing to others you feel can benefit from the information and ability to plan ahead.* If you would like to receive your own copy of the listing please request such at [jimditt@verizon.net](mailto:jimditt@verizon.net) **Next distribution scheduled for June 3, 2012.**

**A series of particularly beneficial websites, offered by Steve Gallison, Manager, Business Services and Staff Development as well as Director, and his staff at Professional Outplacement Assistance Center, Columbia, Maryland include:**

#### **Here are some of the more popular sites for specific job search, career fairs, and career management information:**

For Job Seekers looking for pertinent, relevant terms for their resumes you might visit the Occupational Information Network's database of job descriptions at <http://online.onetcenter.org/help/online/tips>. There are descriptive terms for most of the standard career fields.

For companies that require security clearances it is strongly recommended that the following format be incorporated into your resume. In your "Heading" (your name, street address, city and telephone) be sure

to show your e-mail address and your security clearance immediately below. These are the first two items the recruiter and the company want to know whether at a job fair, when pulling your resume off the web or when you send your resume electronically, by fax or snail-mail.

Check [www.InformationCareers.com](http://www.InformationCareers.com) for IT opportunities outside of the areas requiring security clearances. More and more opportunities are being identified in Competitive Marketing, Information Management and Knowledge Management fields. Currently those without clearances will need to show previously held

positions that required a clearance. Check [www.IntelligenceCareers.com](http://www.IntelligenceCareers.com) for positions listings. The latest edition to this family of websites is [www.ThinkingJobs.com](http://www.ThinkingJobs.com), a site for opportunities that do not require a security clearance.

Another excellent resource for the Job Seeker is [www.careerxroads.com](http://www.careerxroads.com) for the quality information on web sites, and also for niche sites and the Nonprofit arena. When looking at Nonprofits and you require financial information go to [www.guidestar.org](http://www.guidestar.org).

A site for Technology Professionals that lists technical groups and their meetings, by geographic or subject area is [www.JobCircle.com/public/events](http://www.JobCircle.com/public/events).

A site for nonprofits, their management, general data and salary information is BoardSource, formerly the National Center for Nonprofit Boards, is [www.boardsource.org](http://www.boardsource.org).

Check out the web site [www.idealists.org](http://www.idealists.org) for quality information and periodic Job Fairs for the Nonprofit arena usually scheduled with area colleges and universities. You can also post your resume with this site.

For Job seekers both in and outside the Washington/Baltimore area that are looking for listings outside the mid-Atlantic area, check the listed career fair providers for the listings of their scheduled career fairs across the US.

Lists of upcoming Job/Career Fairs are found in VetJobs monthly newsletter. ***This site is free to veterans, transitioning military and their family members.*** With its latest version of its web site in August it now has 200,000+ visitors each month. This is a strong positive for military and former military as the market tightens considerably and the media is beginning to give greater recognition of the values to employers in hiring former military. Look for an excellent listing of military focused career fairs that are included as only one of the options of assistance to the transitioning service member and veterans interested in securing and/or changing positions.

**Veterans Jobs** [www.Veterans.ljobs](http://www.Veterans.ljobs) assists separating military personnel in the transition from active duty to job opportunities in the civilian workplace. This transition is primarily into the private sector as opposed to the governments, Federal, State, County and Local, and excludes the majority of NGOs and the Association world. A most helpful aspect of this web site is the ability of the separating/retiring service person to enter his/her Military Occupation Specialty (Code) into the URL [www.XXX.jobs](http://www.XXX.jobs). The individual's MOS replaces the "XXX" in the preceding example. In other words, the service member whose MOS is 2891 would key into the browser the URL [www.2891.jobs](http://www.2891.jobs) to see what opportunities can be found in the private sector.

**Veterans Opportunities** [www.vetopps](http://www.vetopps) specializes in job fairs for transitioning military and veterans.
